

PHANTOM HOURGLASS CAPTAIN LINEBECK

Linebeck might not be the brave adventurer he pretends to be, he is still invaluable to Link. Linebeck helps Link cross the Great Sea aboard his steamship, which he vainly named after himself, the **S.S. Linebeck**.

He is also the one that deciphers the **sea charts** that Link finds in the different temples (of course he doesn't join Link during those dangerous parts of the quest; well *somebody* needs to watch over the ship, right? ;o) allowing them to enter the different regions of the Great Sea.

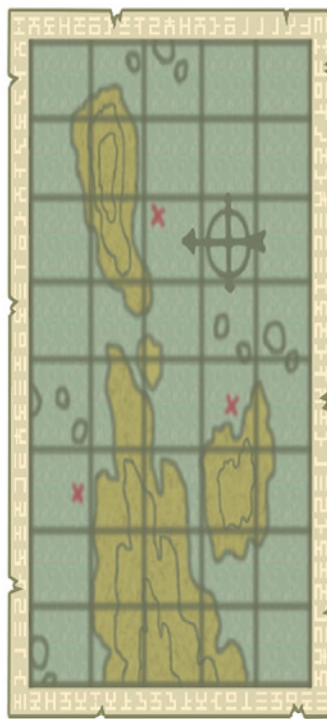

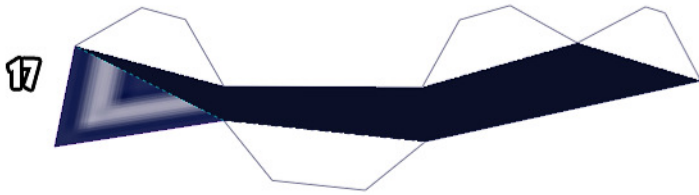

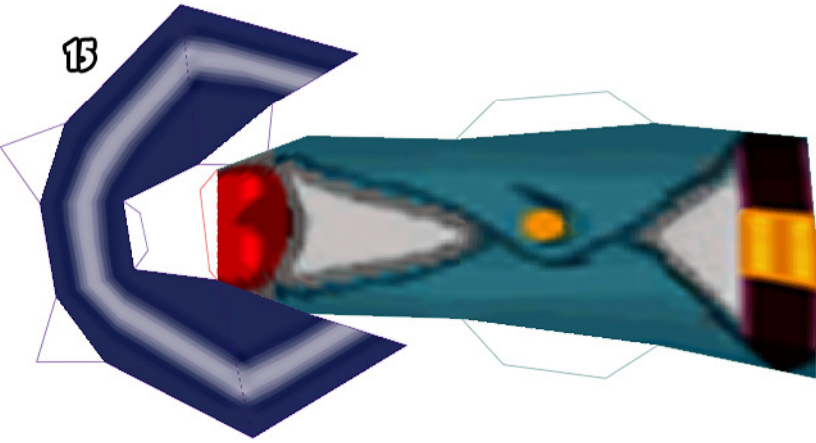

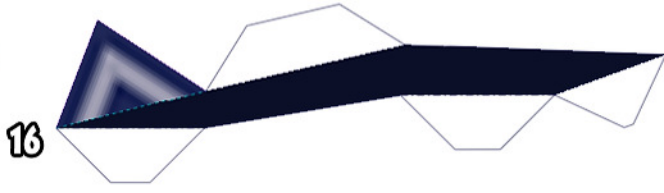

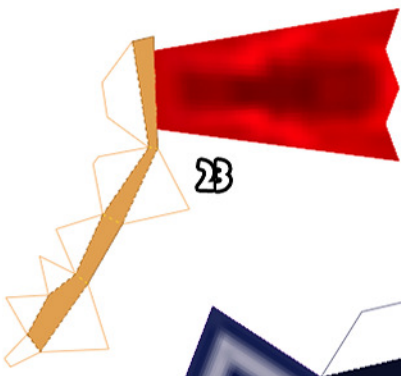

And he's also the one... Nah, you'll have to find out *that* yourself... ;o)
