Considerant 1 bis (new)

*International law does not recognize the sovereignty or jurisdiction of the Kingdom of Morocco over the territory and waters south of 27° 40' N, known as the Western Sahara*

### *Justification*

*The EEZ of Morocco has 27°40' as its southern limit. Polisario, the internationally recognized representatives of the Saharawi people, have condemned the inclusion of the waters of the Western Sahara under the terms of the agreement so this needs to be specified.*
